## HERE IS WHAT SOME OF OUR CLIENTS HAVE SAID ABOUT US:

"As a public speaker and sales trainer, I have hired and partnered with Jan te Pas several times on highly interactive, technologically-detailed audio/visual presentations. Groups in the audience are as big as several hundred, many times. His work is masterful. He shows up early and is ready when he gets there. He practices, drills and rehearses his A/V presentation thoroughly. Jan makes me look good, every time out. Jan is a 100% consistent A/V expert, with great people skills. His work (multi-media, graphics, rear screen projection, sound system application, etc.) is without parallel."

*Gary Thompson  
Business Consultant/Professional Trainer*

"Jan is one of the few A/V people who can raise the expectations of an otherwise normal gathering by producing superlative sound and visuals."
